

## PRESIDENT'S VOLUNTEER SERVICE AWARD

Fellow Scouters,

Mecklenburg County Council is now a "Certifying Organization" for the President's Volunteer Service Award. We are encouraging all adults to participate!

Here's how you get started:

1. Register at [www.presidentialserviceawards.gov](http://www.presidentialserviceawards.gov)
2. Create your own profile, login, and password. Our council ID is **KXL-35733**
3. Log in your scouting service hours. You may include any type of hours. For example; meetings, camping trips, training, high adventure. You can also go back as many years as you can remember and it is easy to insert events you may have forgotten about at a later time.

Our goal is to have as many scouters as possible participate, so please do this soon. We hope to have a public recognition ceremony in April 2010 and we have set a deadline for ordering the awards by March 15, 2010.

***When you have finished logging in your hours contact Dave Richie at the scout office: 704-333-4771 or Gus Mandrapillas at: 704-619-9798.***

How wonderful will it be to introduce to the community the volunteers of Mecklenburg County Council who served over 1 million community service hours or maybe 2 million!!!

Let's show the community what scouting means to us!

We thank you in advance for your participation.
